- Natural ingredients
- Ready-to-use
- Odourless
- Air dries (24/48h)
- No kiln needed
- Easy to clean
- Gluten free
- Free from the main allergens

Explore by sculpting!

Natural ingredients

Jovi modeling clays are manufactured with natural ingredients and therefore are safe and non toxic.

Odourless and no baking needed

Unlike other clays, JOVI air dry modeling clay is odourless and doesn't need baking. Once it is dry it becomes very hard.

Natural colours range

Pure White, Natural Terracota and Original Grey: with this range of colors you will create shapes with natural looks. You can paint and add any finish you wish.

Pure White

Natural Terracota

Original Grey

	Pure White	Natural Terracota	Original Grey
